MESSAGE

06.12.2019

It is a very happy moment that Maulana Abul Kalam Azad University of Technology,

West Bengal is collaborating with Pranavananda Institute of Managemnt and Technology

for the social outreach programmes through different skill development programme.

Prof. Saikat Maitra

Concept of Social Outreach Programs

With the help of Social Outreach Programs, we believe the *"seeds"* we plant today will shape the reality of our tomorrow; because *"no act of kindness, no matter how small, is ever wasted."*

Seeds of Faith Social Outreach Programs currently maintains and operates over a dozen various Social programs, all aimed at meeting the needs of the less fortunate in our communities. New programs are constantly being added as our Institute continues to grow and change to meet the diverse needs of the people we serve. Social Outreach Programs enables the students to acquire more value added skills and knowledge, so that it can be applied to the practical world in future.

Maulana Abul Kalam Azad University of Technology (MAKAUT)

Maulana Abul Kalam Azad University of Technology, West Bengal (**MAKAUT, WB**), formerly **West Bengal University of Technology** (**WBUT**), is a state university located in Kolkata, India. Founded in 2000, facilities for the pursuit of degree and advanced-level courses in engineering, management and other professional areas through affiliated institutions and in-house departments. MAKAUT also organizes social outreach employability skill based trainings for community development both in urban and urban Bengal.

The government of West Bengal set up an Expert Committee on December 31, 1998 under the chairmanship of Ashesh Prasad Mitra to explore the necessity, field and scope for the establishment of an 'Engineering and Technology' university in the state of West Bengal. Following their review, they decided that existing and forthcoming engineering and technology colleges needed the guidance of a technological university for the inclusive growth and improvement of technological education.

The proposition to set up West Bengal University of Technology (WBUT) was started by a committee in 1998; it formally came into existence on August 5, 2000. It started functioning with the assumption of office of the first vice chancellor on January 15, 2001 as a sequel to the promulgation of the *West Bengal University of Technology Act* 2000, under the *West Bengal Act XV* of 2000 passed by the West Bengal Legislature and published in the Calcutta Gazette (Extraordinary) dated July 20, 2000. The Act contemplates a General Council, an Executive Council, an Academic Council, a Finance Committee and an Advisory Council as its regulatory and advisory bodies.

The university in-house department first started with formerly IIIT-C (Indian Institute of Information Technology-Calcutta) and used to offer B.E. degree course in Information Technology.

The renaming of the university from West Bengal University of Technology to Maulana Abul Kalam Azad University of Technology, West Bengal in April 2015 led to agitation in the student community and across the colleges affiliated to the university.

Centre for Collaborative Programs, Training & Research (CCPTR) formed under Maulana Abul Kalam Azad University of Technology, MAKAUT, WB. will encourage different experiments to make teaching learning processes with innovative pedagogical approach to inculcate research-based studies in teaching learning system. It will impart training to the

learning community in emerging technological areas and to leverage the skill set and expertise in different proficient institutes for training of manpower towards employment opportunities and entrepreneurship development.
